**New Partners at DELTA Revision**

Mannheim, July 1, 2024: We are very happy to announce that our colleagues Jacqueline Bachthaler and Jared Nicholas have been appointed to partners of DELTA Revision GmbH with immediate effect.

Jacqueline Bachthaler has been working at our firm since 2017. She is a German Tax Advisor and mainly assists our national and international clients in taxation matters (income and corporation tax, VAT and inheritance tax).

Jared Nicholas is a Certified Public Accountant and has been working at our firm since 2020. His main working areas are audit and accounting engagements according to German-GAAP, US-GAAP and International Financial Reporting Standards (IFRS) as well as other advisory services to national and international clients.

We are very delighted that both colleagues have committed themselves to our firm and are convinced that this improves our services in accordance with our clients' needs.
